THE MODULES:

1. Bioeconomy – from B to Y

Start with the basics and explore bioeconomy's impact on everyday life and education.

2. Bioeconomy in Education: Best Practices and Challenges

Discover practical tools, best practices, and new methods to integrate bioeconomy into your lessons.

3. Bioeconomy Career Awareness and Teaching Approaches

Learn about career opportunities in bioeconomy and how to guide your students towards these paths.

4. Your Bioeconomy Learning Scenario

Design and implement your own bioeconomy-focused learning scenario.

Plus, explore the **7-Step Eco-Schools Methodology** and get full access to the **GenB Toolkit!**

**PREPARE YOUR STUDENTS FOR THE FUTURE,
REGISTER TODAY AND BE PART OF THE CHANGE!**
